REQUEST FOR CHANGE(S) IN PROGRAM/MAJOR(S)/MINOR OR INSTITUTION

A. Terms and Conditions of Application:

- Incomplete and late applications will not be considered by TSLB. Visit www.tslb.com.fj or our Facebook Account (Tertiary Scholarship and Loans Board) for information on due dates for each academic term and year.
- Duly completed forms must be hand-delivered to a TSLB office nearest to you. Forms submitted through emails will not be considered.
- All change(s) in program/major(s)/minor must be approved by TSLB first before any changes are made at the higher education institutions. TSLB will not approve any changes if the student has changed the program at the institution prior to making an application to TSLB.
- Applicants can either change the program, major(s), minor or institution only once during the entire award duration.
- No further changes to the program/major(s)/minor or the HEI will be approved by TSLB other than those approved through this application. Only one change is allowed throughout the duration of the sponsorship.
- Students initially approved for non-medical programs must make an application for change in program/major(s)/minor or institution within 1 year from the stated commencement term and year in the award confirmation letter. For example, a student enrolled for a Bachelor of Commerce Program on Semester mode, must make an application either after completing either one semester or two semesters of studies.
- No changes after more than 2 academic terms of enrolled studies will be approved.
- Students doing medical programs on annualized assessment must apply for the changes before the commencement of their third year of studies.
- Students on academic suspension or termination by the institution are not eligible to apply for change in program/major(s)/minor or institution while they serve their suspension or after termination.
- Request for changes where the current approved program is used as a pathway to another program (e.g. Using first Year GPA in the current program as a qualifying criteria for an alternative program) will not be approved by TSLB.
- No approval for any studies at institutions/campuses outside Fiji will be granted.
