The Embassy of the Federal Republic of Germany presents its compliments to the Ministry of Foreign Affairs and International Cooperation of the Republic of Fiji and has the honour to inform about the International Coaching Course programme offered by the University in Leipzig, Germany.

Every year, as part of the foreign cultural and educational policy of the German Federal Foreign Office, the Sports Faculty of the University of Leipzig organizes two courses of postgraduate studies for coaches and physical education teachers. The University has now issued an invitation to apply for its new training courses.

The study course is financed by the Foreign Office of the Federal Republic of Germany. All course fees are paid for by the Foreign Office, and each participant receives a monthly grant. Participants have to cover all travel costs to Leipzig and back home themselves.

The Government of the Federal Republic of Germany would greatly appreciate the valuable support of the Government of the Republic of Fiji to pass on the enclosed information to the appropriate organisations.

The Embassy of the Federal Republic of Germany avails itself of this opportunity to renew to the Ministry of Foreign Affairs and International Cooperation of the Republic of Fiji the assurances of its highest consideration.
