### NOTES FOR STUDENTS:

1. It is in your interest to enroll early so that your allowances can be disbursed before the first day of lectures.
2. Allowances for Semester 2 will be paid in two or more batches to the students.
3. TSLB will not give approval to any student to add/drop any courses after week 3 of lectures.
4. Allowances will be paid on a pro-rata basis, depending on your academic load. You must be enrolled for a full academic load for the term to be eligible for 100% of the allowances.
5. Any changes to your enrollments after the first batch allowance has been paid will result in allowances being adjusted in the final batch payments.
6. You are to ensure that the bank account number/M-Paisa number and E-Ticket Card number submitted to TSLB remains active. TSLB will take no responsibility for any funds transferred to inactive/closed accounts or any delays in allowance payments due to lost cards or inactive accounts.
7. Any change in account details must be conveyed to TSLB in writing by filling and submitting the signed Change in Particulars Form-TSLB 04.
8. For speedy payment of allowances, TSLB is encouraging students to register for M-Paisa and submit the M-Paisa number to TSLB.
9. For Semester 2, allowances will be paid for 18 weeks. 22 weeks allowances were paid in Semester 1, 2018. As such you should expect a reduction in allowances for Semester 2 compared to Semester 1.
10. Use the TELS allowance calculation formula available on TSLB website ([www.tslb.com.fj](http://www.tslb.com.fj)) or TSLB Facebook page ([Tertiary Scholarship and Loans Board](#)) to calculate your allowances and contact TSLB only if there is any variance.
